Subject: RE: PCBs: Former Pechiney Cast Plate Facility, Vernon, California - USEPA Amendments to PCB Cleanup Approvals

Hi Carmen,

No problem, and thank you for re-forwarding letter. Let me know when are available this week to discuss one item of the approval.

Thank you,
Linda Conlan, PG
Principal Geologist
AMEC Environment & Infrastructure, Inc.

Subject: FW: PCBs: Former Pechiney Cast Plate Facility, Vernon, California - USEPA Amendments to PCB Cleanup Approvals

Greetings Linda:

I just talked to the City of Vernon in response to their call and email message to me regarding the Pechiney site. As I was forwarding the message to Mr. Adams with the latest approval that we issued, I noticed that I did not send you a copy of the message. Here is a copy of the message to Mr. Adams together with our approval.

Please let me know if you have any questions regarding the conditions of approval.

Thank you for your courtesies.

Sincerely,
Carmen

Subject: PCBs: Former Pechiney Cast Plate Facility, Vernon, California - USEPA Amendments to PCB Cleanup Approvals

Dear Mr. William Adams:

Thank you for the opportunity to being of assistance during Pechiney's cleanup of polychlorinated biphenyls (PCBs) at the former Pechiney Cast Plate facility in Vernon, California.

AMEC has proposed some changes to USEPA Region 9's approvals issued to Pechiney on July 2, 2010 and July 1, 2011 for cleanup of PCBs at the Pechiney site. Our letter, attached, is modifying those approvals consistent with 40 CFR 761.61(c).

Please call me or have AMEC call me if you or AMEC have any questions concerning the attached PCB cleanup approval amendment.

Thank you for your courtesies.

Sincerely,

Carmen D. Santos
